## Planning Today for a Powerful Tomorrow

*“Moreover, it is required of stewards that they be found faithful.”*

These words from 1 Corinthians 4:2 give the simple truth that all stewards have an expectation of faithfulness. And you and I are stewards of God’s blessings while we walk in this world.

But what happens when we depart? Will what we leave behind have eternal significance? These questions can be answered at the Estate Planning Workshop! Join with other Christians as you plan your future with eternity in mind.

Come to Mountain View Baptist Church where NW Area Manager, Kurt Lenhoff, will guide you through a powerful time of instruction as you discover that your life can make a difference. In this fast moving interactive workshop Kurt will:

- Unpack the powerful relationship between God’s grace and estate planning.
- Explore various tools that can be used in the stewardship of your relationships and resources.
- Show you how you can Glorify God by doing good to others when you’re unable to make decisions yourself and are ultimately called home to glory.

Kurt Lenhoff brings nearly two decades of experience in the financial world and joined the Northwest Baptist Foundation in June, 2014. He previously pastored at Northside Baptist Church in Shelton, WA and Elgin Baptist Church in Elgin, OR. Prior to serving as pastor, Kurt worked for 17 years in the banking industry, primarily in the private banking area with Key Bank. He is now the Area Manager for the Northwest Baptist Foundation, serving churches throughout the Puget Sound.
