

Every Year...

...millions of dollars (perhaps billions) flow out of the local church and into the coffers of the world. Growing churches, needing to revamp or even build new facilities, reluctantly look to commercial financial institutions for help.

Loans are signed... money acquired... and now all that interest goes back to financial organizations that may support causes like abortion. It's hard to imagine a less God-honoring use of the limited resources and generous giving of God's people.

The **Northwest Baptist Foundation** can change all that.

With over 60 years of serving the local church, the **Foundation** is ready and able to assist you in your financial needs. As an extension of the local church, the **Foundation** is proud to partner with churches and ministries to achieve your ministry goals.
