

A MILLION DOLLAR VIEW...

...for nearly half the price!

Nestled at the base of Whitehorse Mountain, this three bedroom, three bath home enjoys breathtaking views and the tranquility of the great outdoors. Surround yourself with over ten acres that includes a fenced pasture, barn, shooting range and the rippling delight of Ashton Creek.

Custom built by a master builder, this 2600+ square foot home was constructed with an eye for detail. Gaze up at the dramatic 28' vaulted ceiling, then relax in the ambient warmth of the rock-work fireplace. In the rustic ease of a country home, you have every modern convenience needed for a comfortable life:

- Master Bedroom on the Main Floor
- High Granite Counters Tops throughout the Kitchen
- Handicap Access
- Attached Garage with Three Spaces
- And much more!

Are you looking for a peaceful getaway? A hobby farm? A home that supports your equestrian aspirations? There is even potential for a second parcel with a breaker box and electricity already established.

This home is the perfect escape from the hustle of the urban sprawl, conveniently located less than an hour away. Contact Steven Schrudder of Windermere Real Estate at (206) 856-5750.
