

A MILLION DOLLAR VIEW...

...for nearly half the price!

Three bedroom, three bath home at the base of Whitehorse Mountain. 10+ acres with a fenced pasture, barn, shooting range and Ashton Creek.

Custom built, 2600+ square foot home with a 28' vaulted ceiling and rock-work fireplace. The rustic joy of a country home, with every modern convenience:

- Main floor Master Bedroom
- High Granite Counter Tops
- Handicap Access
- Attached Garage
- And more!

Need a peaceful getaway? A hobby farm? There is even potential for a second parcel.
